Rye Workshop & Mini Grant (North Bingham CD)

Program	District Technical Assistance (ISWCC)
Lead Implementer	Idaho Soil and Water Conservation Commission
Funders	Central Bingham Conservation District, North Bingham Conservation District
Other Organizations	U.S. Natural Resources Conservation Service, USDA NRCS Aberdeen Plant Materials Center
Project Primary Contact	George Hitz (george.hitz@swc.idaho.gov)
Project Stage	Post-Implementation
Duration	2017

IDAHO SOIL & WATER CONSERVATION COMMISSION

Conservation Support > District Technical Assistance (ISWCC)

Assisted with planning, outreach, and setup of Workshop covering impacts, plant physiology, habitat and control of feral rye, cheatgrass and other weed species control.

Assisted with project development and outreach for District $1,500 grant program to assist farmers in the county to control feral rye.

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
