

## Boulder Lake Composting Toilet Installation (Valley CD)

Program	Water Quality Implementation		
Lead Implementer	Valley Conservation District		
Funders	Idaho Soil and Water Conservation Commission		
Project Primary Contact	Loretta Strickland (loretta.strickland@swc.idaho.gov)		
Project Stage	Deferred	Duration	2020
Estimated Total Cost	\$20,000.00	Secured Funding	\$0.00
No Funding Source Identified Yet	\$0.00	Targeted Funding	\$20,000.00

### Natural Resource Projects & Practices ➤ Water Quality Implementation

The project is needed to address high levels of human waste at an area without motorized access. The district addressed this issue at the lower trailhead through grants and funded a vault toilet bridging five entities (Idaho Department of Lands, U.S. Forest Service, Valley County Parks and Rec, and an Irrigation District) to bring about a solution. Now, the district is ready to address much needed solution at Boulder Lake at the end of the trail. There is no motorized access, so a composting toilet or equivalent solution is needed.
