

IDAHO SOIL & WATER
CONSERVATION COMMISSION

Conservation Technical Assistance (NRCS)

Program	Partner Support (non-ISWCC)
Lead Implementer	Idaho Soil and Water Conservation Commission
Funders	U.S. Natural Resources Conservation Service
Other Organizations	Kootenai Shoshone Conservation District, Madison Conservation District, Portneuf Conservation District
Project Primary Contact	Teri Murrison (teri.murrison@swc.idaho.gov)
Project Stage	Implementation
Duration	2018 - 2020

Conservation Support > Partner Support (non-ISWCC)

The Commission provides technical assistance to NRCS by employing 2 soil conservationists and 1 soil conservation technician to develop conventional conservation plans and implement various Farm Bill programs. Included with these positions is a significant amount of training to qualify incumbents to attain certified conservation planner status over time.

Key Accomplishments

- Conservation Planning Level I (Apprentice) Certification: 0
- Conservation Plans Produced: 0

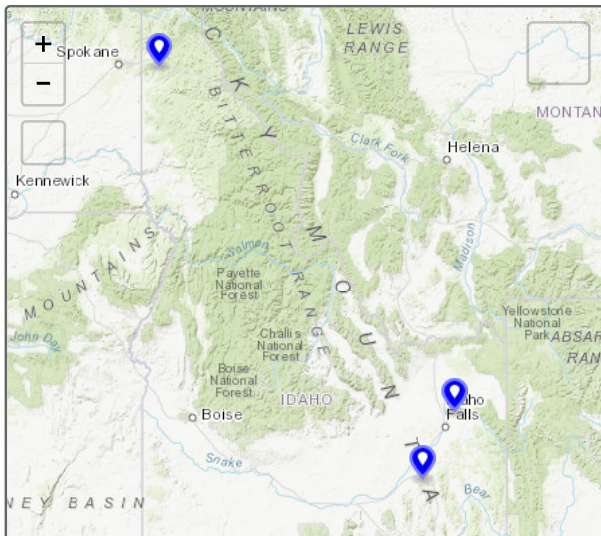

Project Themes

- Agricultural Lands
- Forests
- Healthy Watersheds
- Soils
- Water

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
